Radar Level Gauge, 0–30 m

Indiana catalogue ID **II-LT-010** Level Transmitters · Radar

IDENTIFICATION

Product	Radar Level Gauge, 0–30 m
Indiana catalogue ID	II-LT-010
Category	Level Transmitters · Radar
Measuring principle	Radar, non-contact
Model line	Lens and flange antennas
Document	Specification · issued 24 October 2026

01 As stated in the manufacturer listing

Principle	Radar level measurement
Measuring span	0–30 m
Accuracy	2 mm
Housing	Aluminium alloy
Other parts	Stainless steel

02 Open points — confirmed with the quotation

NOT STATED IN THE LISTING — CONFIRMED WITH THE QUOTATION

Radar frequency band	<i>Not stated in the source</i>
Output and supply	<i>Not stated in the source</i>
Antenna type per configuration	<i>Not stated in the source</i>
Process connection	<i>Not stated in the source</i>
Temperature and pressure limits	<i>Not stated in the source</i>
Protection rating	<i>Not stated in the source</i>

Each line above is a value the source documentation does not state. It is confirmed in writing with the quotation for the configuration ordered — it is not an omission from this document.

03 Applications and industries

APPLICATIONS

- Storage tanks
- Process vessels
- Long-range level measurement

INDUSTRIES

Chemical

Petrochemical

General industry

QUOTATION

List the product, ID and quantity; add process conditions. We reply with a quotation.

CONFIRM BEFORE ORDERING

- Photographs, figures and wording come from the manufacturer's product listing for this family and may describe a sibling configuration; the datasheet for the ordered model is confirmed with the quotation.
- The antenna in the photographs varies; ask which antenna the 0–30 m figure applies to.

Manufacturer product listing (saved October 2026). Figures are reproduced as listed; spec-card values and title values are shown separately where they differ. Values are reproduced from the source documentation as stated there; where a source gives two different values for the same property, both are shown with their source. Unstated values are listed under "Open points". This document is not a certificate, and no approval, certification or hazardous-area suitability is implied.
